MISSION STATEMENT

"The mission of Taylor MS is to promote a safe, supportive and rigorous program of engaging academic and social experiences while encouraging responsible citizenship."

ADMINISTRATION OFFICE HOURS

The main office and the B and C-buildings are open to students beginning at 8:13 a.m. School supervision does not begin until 8:13 a.m.

Students should go to the outside attendance window for matters concerning official school business.

Students can make special arrangements to meet with a teacher before 8:13 a.m. Office attendants answer phones and can respond to inquires between 8:00 a.m. - 4:00 p.m.

ABSENCES- CALL IMMEDIATELY 650- 697-

4096 Ext. 1. Phone calls must be received by 10:30 AM. Regular attendance is necessary for success at school and is expected of all students. School begins at 8:28 a.m.

Students are to be seated in their first period class when the final bell rings at 8:28 a.m.

You can also email an absence to:
attendta@millbraesd.org

Tardies: Any student who arrives to school or class after 8:28 a.m. must report to the office.

Tardies that are due to doctor's appointments and/or illnesses are excused when a doctor's note or parent's note is provided. Doctors notes will be required if a pattern is established.

All students are expected to make arrangements to come to school on time in ways that ensure prompt arrival. Additional planning that takes into account poor weather or traffic issues are essential.

Excessive unexcused tardies will result in further disciplinary action as determined by the administration.

Absences: State and federal laws mandate that the only absences considered *excused* are those due to illness or unavoidable doctor or dental appointments. In these cases parents are responsible for calling the office (697-4096 Ext. 1) as soon as possible. Also, upon the student's return to school, they must bring a written note from the doctor indicating the student's name, date and reason for absence. Students absent less than three days should contact classmates for missed homework and speak with the teacher upon return. All other absences are considered unexcused. Excessive unexcused absences will result in disciplinary action, up to and including police intervention to address issues of truancy.

It is important that your children attend school every day. The Millbrae School District receives funding from the State for students who actually attend school. If it is necessary to take your child out of school for reasons other than illness, please send your child to school for a portion of the day. Taylor School will receive the financial resources it is due and thus, reduce the need for program cuts. Whenever possible, please schedule medical or dental appointments after school hours.

Extended Absences: Parents are discouraged, but may request an Independent Study Contract (ISC) for absences greater than five days. This must be initiated at least one week before the extended absences. Approval will be based on good academics, attendance and behavior. Your child's regular attendance at school is important for funding and academic success.

Make-up Work: It is the student's responsibility to make-up all work that is missed during any excused absence. Students will receive full credit for work satisfactorily completed within the period of time prescribed by the teacher. Textbooks: Textbooks are the responsibility of the student and **MUST BE COVERED AT ALL TIMES**. Textbooks and materials must be returned at the end of the course or when withdrawing from school. Students will be charged for any damages to or loss of textbooks.

Informal Progress Reports:

Parents must pre-arrange informal progress reports by contacting the teacher(s) so that parent-student-teacher(s) are aware. Teachers will not sign them, unless this pre-arrangement has occurred.

This form should be used for students who are in jeopardy of receiving less than C grades.

It is always the student's responsibility to route these forms to their teacher(s) and return them to their parents. Parents can find informal progress reports by downloading the progress report form from the Taylor website.

Loss of Privilege (LOP) List:

During each trimester a LOP list will be generated after a formal progress report/ official grade report. The LOP list will be based on a "U" in conduct and/or discipline referrals. Promotion Activities: 8th grade students must meet eligibility requirements to participate in the following activities:

8th Grade Field Trip: Participation of 8th grade students is based upon good behavior. Eligibility is based upon the LOP list generated by 2nd trimester conduct (March). Students, who are ineligible at this time, can improve their conduct to earn back eligibility by the 3rd trimester progress report (May).

8th Grade Picnic: Students attend a BBQ lunch prepared by the PTA and school staff followed by fun activities. Eligibility is based upon the LOP list generated by 2nd trimester conduct (March). At Taylor, with available funding, there may be extracurricular activities for your involvement. A student's eligibility in extra-curricular activities will be determined by grades and conduct. BULLDOG CODE OF CONDUCT

Taylor Middle School is committed to providing a quality educational environment that is **safe, secure, and peaceful**. It is also a commitment of the Millbrae School District to help each student develop to the maximum of his/her capacity and to function as a responsible member of society.

As a student matures toward responsible citizenship and independence, he/she must develop acceptable behavioral traits that show progress toward an understanding of the respect for constituted authority and the rights of others in his/her environment. As part of the learning process, a student must be held accountable for his/her actions and recognize that there is a consequence for choices that lack judgment or self-discipline. Students must meet each teacher's classroom standards and expectations. If students do not meet teacher guidelines (i.e. prepared for class, being on time) then the student may receive an administrative referral to see a site administrator.

A comprehensive review of any specific incident in relation to a progressive behavior and/or his/her current circumstances might result in a different penalty being assessed than that outlined below should the facts of the case warrant a different disciplinary action. **The Principal/Designee retains the right to make the final decision regarding any disciplinary action.** These guidelines are enforced at school, on the way to and from school and at school sponsored events.

The District has a partnership with local law enforcement agencies. Discipline issues that could potentially constitute a crime will be investigated accordingly and may involve law enforcement intervention prior to which parents may not be contacted.
