CA Distinguished School

Congratulations to Meadows School for being named a 2025 CA Distinguished School!

- This prestigious honor is awarded to schools that demonstrate exceptional student performance and significant progress in closing achievement gaps.
- This year, only 293 elementary schools across California received this recognition, including 18 schools in San Mateo County. Meadows joins this distinguished group by showcasing a strong commitment to academic excellence, equity, and student success.
- They will be honored on May 30th at the Disneyland Hotel.

Gathering LCAP Feedback

- **Currently Executive Cabinet Members are attending Principal Coffees and Staff Meetings to gather feedback about LCAP Goals: Reading, Academic Achievement, SEL/Attendance/Student Engagement, English Language Learners**
- **We are asking groups**
 - **What is going well?**
 - **What improvements can be made?**
 - **What priorities are important to you?**
