CAMed VISIT

THANKSGIVING PARADE

Happy November Stallions! As we begin to wrap up the month we had a lot of exciting activities that happened in the last two weeks of school. I want to thank all of the families and students again who participated in our School Spotlight last Tuesday! Everyone did a great job and received rave reviews from our district, board and Superintendent Skelly.

I also want to remind all of our families to please check our Lost & Found Boutique for any clothing or items your children may have left at school. Any items that are not picked up by our December break, will be collected and donated to goodwill.

As a reminder, there is no school next week and we will return to school on November 27th. Hwee hope you all have a wonderful Thanksgiving Break!

Mr. Hwee

IMPORTANT DATES

November 20th - No School for the week

November 23rd - Thanksgiving

December 11th - Book Fair

December 23rd - Winter Break

ATTENDANCE, DRIVING SAFETY & DROP OFF

Attendance: As a friendly reminder, students must be in their class line by 8:15 am or else they are considered late.

Driving Safety: For safety purposes, please make sure your student gets out of the car on the school side/curb and not in the middle of the loop.

Drop Off: To help with the flow of traffic, please drive through the entire loop at drop off to help with any congestion on Murchison. Students should exit the car on the school side of the curb and not the middle of our loop.

*only cars with a handicap placard can park in the disabled parking spot.

THANK YOU PARENTS & PTA

I want to give a **HUGE** thank you to all of our Spring Valley parents and PTA for organizing our surprise Thanksgiving spread. Not only was everything delicious but we felt extremely thankful to have a supportive parent community. We appreciate you all taking time to purchase or make these treats and it was a great way to end our trimester while kickstarting our November break.

SOUTH SAN FRANCISCO SCAVENGERS

We want to thank South San Francisco Scavengers for coming to our school to do a refresher for our school on how to properly throw away items, compost and also recycle. Not only was it informative but also interactive for our SV students.

CAM-ED SCIENCE DEMONSTRATION

We were lucky enough to have Cam-Ed come to our school this week to kick start their 8 session visit with Science Lessons and demonstrations.

Here, our 3rd through 5th grade students were learning about Crystallization. Thank you CAMed and Millbrae Education Foundation for putting this together.

KINDERGARTEN THANKSGIVING PARADE

Huge shout out to our Kindergarten classes for surprising us with the annual wonderful Spring Valley Macy's Day Thanksgiving Parade.

(Thank you to Tamara Aqleh for blowing up all of the balloons)
